# 项目简介

## ABOUT THE PROGRAM

暨南大学国际暑期学校始办于2011年，致力于为海内外学子提供高质量、国际化、创新与开放的短期学习交流体验。项目于每年夏季开设为期5周的全英学分课程，课程类别涵盖人文社科、自然科学、计算机科学等等。各地学子不仅可以利用暑期时间在本项目中选修感兴趣或补充在校学分的大学课程，也能与来自不同高校的同学和教授进行深度交流。课堂之外，项目会为学生安排各类学术或未来发展指导相关的讲座，并组织多样化的联谊互动活动、城市文化参访活动等。

Jinan University Summer Session Program was launched in 2011 and is dedicated to providing a high-quality, international, innovative and, open short-term learning and exchange experience for students at home and abroad. The program offers 5-week credit courses in the summer of each year, covering humanities, social sciences, natural sciences, computer sciences, etc. Students from all over the world can not only make use of their summer time to take different courses that are of interest or supplement their credits in school, but also have in-depth communications with classmates and professors from different colleges and universities. In addition, the program will offer a variety of lectures on academics or career guidance, as well as organize a variety of extracurricular activities and local city tours.
