About SJTU LEC Summer School

Shanghai Jiao Tong University (SJTU) was founded in Shanghai, China in 1896, with the goal of cultivating talented professionals for the nation and the world. Today, SJTU has become one of the world's top universities and a key university directly under the administration of the Ministry of Education (MOE) of the People's Republic of China and jointly administered by MOE and Shanghai Municipal Government. In 2026, SJTU ranked 47th in the QS World University Rankings, and 12 subjects belong to the Top 50 in the World University Rankings by subject.

The Lifelong Education College (LEC) is a direct affiliate of Shanghai Jiao Tong University. To better facilitate the global exchange and cooperation of students, professors, and institutions at home and abroad, SJTU LEC has operated its International Summer School since 2017. This program is committed to offering a transformative experience: international students from all over the world can immerse themselves in the SJTU community, gain multicultural understanding, and broaden their global vision while studying in China.
