

## Event Highlights

### 學院紀事

胡靜儀，就讀高等衛生學校護理學士學位課程。

靜儀因為家人曾經罹患癌症，讓她明白照顧病患的重要性。於是她報考護理專業，希望將來學有所成，能夠照顧病人的身體，並能安撫他們的心靈，協助病人渡過艱難時期，重獲健康。

靜儀笑言護理專業課業很重，這幾年的求學生涯，最美好的校園生活都是在學習和實習之中渡過。畢竟護理講求理論和臨床相結合，她必須在學好理論基礎後，透過反覆實習來精練自身的操作水平，所以她在課後，還要參加不同類型的實習來累積臨床經驗。

對於護理，靜儀早就視為終身志業。她希望自己畢業之後，能夠投身醫護前線，幫助病人，從工作獲得滿足感，活出生命的價值。靜儀憧憬未來能夠透過參加不同類型的培訓，逐步提升專業水平，讓澳門的護理能夠更專業，藉以提升澳門總體的醫護水平。

Wu Cheng I studies on the Bachelor of Science in Nursing Programme in the School of Health Sciences.

Cheng I first realised the importance of patient care when a family member developed cancer. She applied for the nursing major, hoping to become well equipped to give care to patients, both physically and mentally, and to assist them with their struggle to recover.

Cheng I says with a smile that the workload of the nursing programme is very heavy, and her best college life has been spent in studying and internships over the past few years. Given the fact that nursing relies on a combination of theory and clinical practice, Cheng I needs to lay a sound theoretical basis as well as refining her operational skills by repeated practice. She participates in different types of internship after school to build up clinical experience.

Cheng I took on nursing as her vocation for life a long time ago. After graduation she wants to join the frontline of healthcare, where she can help patients and enjoy satisfaction from her work, experiencing the true value of life. Looking into the future Cheng I hopes that, through a variety of training, the professionalism in nursing will steadily improve in Macao, and the general quality of healthcare brought to a higher level.

# August

2014.8

**08/22**

2014/2015學年開學典禮  
Opening Ceremony for the  
Academic Year 2014/2015
