國際認證

高等教育的全球化發展，對教學質量保證的要求也越來越高，而質量保證體系的構建對高等教育的發展也越來越重要，引入國際學術評鑑和課程國際專業認證成為高校發展的新目標。作為亞洲首家高校通過英國高等教育質量保證局院校評鑑，學院一直注重教學質量保證，於2015年和2017年兩度獲得“亞太教育質量獎”，2018年榮獲“國家級教學成果獎”，為澳門首家及唯一高校獲此全國性傑出教學殊榮。

自2011年起，學院先後通過英國工程技術學會、澳洲註冊會計師公會、英國特許公認會計師公會、美國電子商務協會、葡萄牙高等教育評估和認可局、新西蘭大學學術質量評鑑局、國家教育部高等教育教學評估中心、台灣高等教育評鑑中心、香港學術及職業資歷評審局等多個國際學術評審及專業認證機構的課程評鑑或專業認證，學院的教學質量得到國家和國際權威組織的認可。

International Accreditation

As higher education globalises, higher and higher requirements are imposed for teaching quality assurance. Meanwhile, the building of a quality assurance system is also becoming increasingly important to the development of higher education. As a result, the introduction of international academic review and international professional accreditation of academic programmes has become a new goal for the development of colleges and universities. As the first higher education institution in Asia to pass the Institutional Review by the Quality Assurance Agency for Higher Education (QAA), UK, MPI has always focused on quality assurance in teaching. In 2015 and 2017, MPI won the "APQN Quality Awards". After that, it won the "National Teaching Achievement Award" in 2018, becoming the first and sole higher education institution in Macao that has won this national outstanding honour in teaching.

Since 2011, MPI has successively passed the academic programme review and professional accreditation by many international academic reviewing and professional accrediting agencies including the Institution of Engineering and Technology (IET), UK, CPA Australia Ltd (CPA Australia), the Association of Chartered Certified Accountants (ACCA), UK, the Institute of Certified E-Commerce Consultants (ICECC), the Agency for Assessment and Accreditation of Higher Education (A3ES), the Academic Quality Agency for New Zealand Universities (AQA), the Higher Education Evaluation Center of the Ministry of Education (HEEC), the Higher Education Evaluation & Accreditation Council of Taiwan (HEEACT), and the Hong Kong Council for Accreditation of Academic & Vocational Qualifications (HKCAAVQ). The teaching quality of MPI is recognised by national and international authoritative organisations.
