## 榮獲“亞太教育質量獎”

2022 年 12 月在新加坡舉行的 2022 年亞太地區教育質量保障組織年度大會上，大學榮獲該組織頒發的“亞太地區教育質量獎”之疫情期間教學質量保證最佳實踐”，是澳門唯一獲得“亞太地區教育質量獎”的高等學府。大學榮獲此國際榮譽，體現了亞太地區教育質量保障組織對大學在疫情期間在教學與科研的質量保證所做工作的肯定。大學連續三年舉辦以疫情期間教學質量保證為主題的高等教育國際學術會議，為全球高等院校搭建交流平台，為全球各地的專家學者提供分享教研經驗和交流的機會。

## 入選泰晤士高等教育亞洲大獎八強 文創藝術教研創新獲國際認可

2023 年 6 月，在泰晤士高等教育亞洲大學峰會上頒發 2023 年泰晤士高等教育亞洲大獎。本屆大賽共吸引亞洲各地大學共五百多個項目參加，澳門理工大學入選“藝術領域卓越與創新獎”八強，大學文創藝術教研創新獲國際認可。

由大學藝術及設計學院團隊完成的項目“藝術課程的感官民族誌：通過媒體技術促進文化和創意藝術的實驗者之旅”，通過感官民族誌融入藝術教育作為跨學科的學習平台，推廣澳門以中華文化為主流，多元文化共存的藝術教育特色與創新。透過講座、實驗性實踐和展覽，學習平台成功將藝術體驗與媒體技術轉化為十三個實驗性項目，以澳門文化的多樣性和創造力來推廣澳門的獨特性。

泰晤士高等教育亞洲大獎旨在表彰在高等教育領域卓越表現，於 2005 年創立，被譽為“高等教育的奧斯卡”，並於 2019 年首次引入亞洲。本年度大學與香港中文大學、香港浸會大學和新加坡管理大學等共同躋身“藝術領域卓越與創新獎”最後八強，大學為推廣藝術所做的開創性工作獲讚賞。

## MPU Wins 2022 Asia-Pacific Quality Network (APQN) Quality Awards

MPU was honoured with the APQN Quality Awards in the category of “Best Practice of QA during COVID Pandemic” at the 2022 Annual Academic Conference (AAC) and Annual General Meeting (AGM) held by the Asia-Pacific Quality Network (APQN) in Singapore in December 2022. MPU is the sole higher education institution in Macao to have won the APQN Quality Awards. This award from APQN is an endorsement of MPU’s endeavours in quality assurance in teaching and research during the COVID pandemic. MPU has held international academic conferences on higher education with the theme of quality assurance in teaching during the pandemic for three consecutive years, providing global higher education institutions with an exchange platform whereby experts and scholars worldwide could share experiences and insights in teaching and research.

## Being in the Top Eight of the Times Higher Education Asia Awards, MPU’s Showcases Innovation in Teaching and Research of the Arts Recognised Internationally

In June 2023, the winners of the Times Higher Education (THE) Asia Awards 2023 were announced at the THE Asia Universities Summit. It attracted over 500 entries from universities across Asia this year. MPU was selected as one of the eight finalists for the Award of “Excellence and Innovation in the Arts”, showcasing its innovation in teaching and research of the arts and gaining international recognition.

The project “Sensory Ethnography in Arts Programme: A Journey of Experimenters in Promoting Cultural and Creative Arts through Media Technology” was created by a team from the Faculty of Arts and Design of MPU. It has promoted mainstream Chinese culture and the unique, innovative and multicultural arts education in Macao through the integration of sensory ethnography into arts education which serves as an interdisciplinary learning platform. Through lectures, experimental practices and exhibitions, the learning platform has successfully transformed art experiences and media technologies into 13 experimental projects, featuring the promotion of Macao’s uniqueness through the diversity and creativity of its culture.

Established in 2005, the Times Higher Education (THE) Asia Awards aims to recognise excellence in higher education. It is widely known as the “Oscars of Higher Education”, and was introduced to Asia for the first time in 2019. It is an honour for MPU to be one of the eight finalists this year for the Award of “Excellence and Innovation in the Arts”, alongside the Chinese University of Hong Kong, Hong Kong Baptist University, Singapore Management University and others, indicating the highly-acclaimed pioneering work of MPU in the promotion of arts.

## 與葡萄牙科英布拉大學開辦資訊科技雙博士課程助力澳門高新產業發展

為發揮中葡平台作用，配合澳門“1 + 4”經濟適度多元發展，大學與世界著名的葡萄牙科英布拉大學（Universidade de Coimbra）合作，聯合開辦資訊科技雙博士學位課程，完成課程的學生可分別獲兩校頒授博士學位。雙博士學位課程修讀期為三年，澳理大電腦應用技術博士學位課程、葡萄牙科英布拉大學資訊工程博士學位課程的學生均可申請修讀。學生將在原屬院校學習兩年，在合作院校學習一年，並獲兩校導師共同指導學位論文。有關課程為學生提供跨地域的科研平台和學術交流機會，深入研究電腦科學、人工智慧、大數據、技術傳播等專業領域的前沿技術，培養更多高端科研創新人才。

## 國際認證

大學注重教與學質量保證，持續引入國際學術評鑑和課程國際專業認證。目前，共 19 個課程已通過國際學術評鑑及專業認證，教學質量獲國家和國際權威組織的認可。

2022 年年底，大學成功通過英國高等教育質量保證局的國際素質核證與澳門高教法規訂定的院校認證評鑑，並第三次榮獲“亞太教育質量獎”，辦學素質榮獲國際認證。在英國泰晤士高等教育世界大學影響力排名中，大學 2023 年於可持續發展等方面全球排名 100-200 區間，較 2022 年上升 100 位。

## A Dual Doctoral Degree Programme in Information Technology Offered by MPU and University of Coimbra to Facilitate the Development of High-Tech Industries in Macao

In an effort to leverage the Sino-Portuguese platform and bolster Macao's diversified economic strategy in line with the "1+4" principle, MPU and the esteemed University of Coimbra (UC) joined hands to launch a dual doctoral degree programme in Information Technology. Graduates of the programme will be conferred doctoral degrees from both universities. This dual doctoral degree programme takes three years to complete. Students from MPU's Doctor of Philosophy in Computer Applied Technology programme and UC's Doctor of Philosophy in Informatics Engineering programme are eligible to apply to this programme. Students will study two years at their home university, followed by a year at the partner university, with their research theses supervised jointly by advisors from both universities. This programme provides students with a trans-regional research platform and numerous academic exchange opportunities. It allows them to delve into advanced research on cutting-edge technologies in areas such as computer science, artificial intelligence, big data, and technology communication, thereby nurturing a new generation of innovative top-tier researchers.

## International Accreditation

MPU focuses on the quality assurance of teaching and learning, and continues introducing international academic review and international professional accreditation for programmes. So far, a total of 19 programmes have passed international academic review and professional accreditation. MPU's teaching quality has been widely acclaimed by national and international authoritative entities.

At the end of 2022, MPU received global accreditation for its quality education through a successful International Quality Review (IQR) conducted by the Quality Assurance Agency for Higher Education (QAA), UK, and passed the Institutional Accreditation as stipulated by the Macao higher education law. MPU also won the APQN quality awards for the third time, demonstrating its internationally-recognised strengths in quality education. According to the Times Higher Education World University Impact Rankings 2023, MPU ranks between 100-200 in sustainable cities and communities, moving up 100 places compared with its 2022 ranking.

## Ideal Prospects

Adhering to the motto of "Knowledge, Expertise, and Global Vision", MPU is committed to the cultivation of application-oriented talents who love the motherland and Macao, have an international perspective and global competitiveness, and are committed to serving Macao, China and the world. Over the years, the ratios of students successful in pursuing further education or landing their first jobs upon graduation have been satisfactory, and so have their salaries and benefits. Many alumni have become elites in different industries with their life ideals successfully achieved. Regarding the employability of graduates, the latest *Report of Employer Satisfaction Survey* shows that over 88% of employers are satisfied with the overall on-the-job performance of MPU graduates. MPU's capability in training high-quality professionals has been assured by the community and industries.

According to the newly-released *Graduate Survey Report*, approximately 70% of graduates were employed before the end of September in the year of graduation, of which over 7% were offered a management position. The median monthly salary of fresh graduates is MOP13,000, while the median monthly salary of local graduates of bachelor's programmes who work full time is MOP16,250. The top four industries that MPU graduates engage in are medical care, education, social services and public administration. Additionally, approximately 70% of graduates are engaged in jobs related to their majors, and 80% of them find the knowledge acquired at MPU helpful in their jobs.

In addition to continuing with their post-graduate studies locally in Macao, some MPU graduates pursue further education at prestigious institutions in the United Kingdom, Portugal and the Mainland China. More than 90% of graduates believe that the MPU programmes are crucial to their further education.
